OFFICE OF THE SECOND MEMBER OF COUNCIL.

NOTE

Dated 16th February *1920.*

52/R. 8. 17.2.20

No definite principles have been laid down at present for the guidance of local bodies to regulate grants-in-aid to Vaidyasalas and Dayakhanas. Applications are made by Vaidyas and Hakims for a grant and the District Board recommends the same irrespective of the fact whether a dispensary is within ~~the~~ easy reach of the place or not. In opening such dispensaries, the need of the people for medical relief, the proximity of the regular dispensaries, the population to be served etc., are to be taken into consideration. A set of draft rules may be suggested for consideration.

I think may have to be modified as to apply to rural areas only. Otherwise no indigenous dispensary can be opened in places like Cuddapah, Chittoor & Anantapur where there are Govt. & local fund dispensaries.

70 It is certainly the intention to discourage such grants in places where hospitals & dispensaries are in existence, since the grants could be more usefully utilised in places where there is no Govt. or Medical treatment available. Rules for the payment of grant-in-aid to Vaidyasalas and Davakhanas in the State.

With a view to regulate the grants-in-aid to Vaidyasalas and Davakhanas by ~~the~~ District and Taluk Boards, a set of draft rules was framed in the Secretariat and circulated to the Presidents of District Boards for furnishing their opinion thereon. The rules were then modified in accordance with their suggestions and were further considered in Council on 3rd November 1920, as the Third Member of Council took exception to a clause in the rules that the grant-in-aid institution should ordinarily be so situated that there is no Local Fund, or Government, Hospital, or Dispensary, within a distance of 3 miles therefrom. It was then resolved that the draft order as revised and appended hereto may be approved. The resolution of the Council may be graciously approved.

The Government of His Highness the Maharaja of Mysore are pleased to lay down the following rules for the payment of grant-in-aid to Vaidyasalas and ~~Unani dis-~~ ~~pensaries~~ Dawakhanas by Local Boards.

1. In order to be entitled to a grant-in-aid, the institution should supply a distinct want which cannot be sufficiently met by existing hospitals and dispensaries.

2. The institution should ordinarily be so situated that there is no local fund or Government Hospital or dispensary within a distance of 3 miles therefrom.

3. The Hakim or Vaidya in charge should have undergone a course of training in the Ayurvedic College, Mysore, and hold a diploma or certificate that he is competent to practise medicine.

4. The institution and its records should be open at all reasonable times to the inspection of the Senior Surgeon, the District Medical Officer and the Presidents of the District and ~~Local~~ Taluq Board concerned.

5. The grantee should maintain such registers and accounts as may be prescribed from time to time and ~~should~~ submit such periodical returns, reports and accounts as may be prescribed by the President of the ~~Local~~ Taluq Board.

6. The amount of grant-in-aid will be determined in each case with reference to the efficiency of the institution and its requirements.

7. Grants may be given for rents of buildings, supply of medicines and establishments.

8. Applications for grants should be made before the 31st December every year to the ~~Local~~ Taluq Board concerned, which shall be competent to sanction suitable grants-in-aid.

9. Grants may be reduced or cancelled at any time by the ~~Local~~ Taluq Board, if the conditions on which they were originally made are violated or are not fulfilled, and if after three months' notice to the recipient of the grant, the defects are not remedied.

10. All institutions in respect of which grants are given, should be inspected once at least every year, by such officers of the ~~Local~~ Board as it may nominate for the purpose, who should forward an inspection report to the ~~Local~~ Board concerned specifying clearly whether the institutions are maintained in an efficient condition and deserve the grants sanctioned to them.

Sir,

With reference to your letter No.R.11322-9/L.B.19-19-15 dated 29th March 1920, calling for my opinion on the draft rules proposed to be issued in connection with the payment of grants-in-aid to Vaidyasalas and Davakhanas by Local Boards, I have the honor to state that the proposed rules are suitable for adoption. It is however desirable to fix a maximum for the grant in each individual case and the word 'Mysore' after 'recognised institution' is probably misplaced and it should follow 'Ayurvedic College' if it is not the intention to restrict the grants to Mysore trained men. It is also desirable that maxima for the grants to be sanctioned by the District and Taluk Boards respectively be fixed and that some freedom be given to the Boards to make grants even in the case of uncertificated men who may otherwise possess extensive reputation for good work done in the locality.

2. There are at present no sufficient supply of certificated men willing to work in the outlying villages where alone their services are urgently required.

I have the honor to be,
Sir,
Your most obedient servant.
